JTS Announces Strategic Alliance with CSX Intermodal, Inc.

02.25.09, 6:37 PM ET

JTS (Johanson Transportation Service), a leading third-party supply chain solutions provider, today announced that it has been awarded an IMC (Intermodal Marketing Company) contract from CSXI (CSX Intermodal, Inc.). The contract allows JTS to represent and market CSXI door-to-door or ramp-to-ramp services nationwide to the shipping community using a combination of rail and drayage transportation.

VP of Sales and Marketing Lance D. Roberts says "Intermodal is a highly reliable, affordable and clean option for our customers to ship their freight. The new partnership with CSXI gives us more nationwide capacity and flexibility to address our customers' needs".

The intermodal division will be managed by Jeff Perry in the company's Sacramento, California office.

"Jeff will be the key contact for sales and operations and will help guide our customers unfamiliar with intermodal through the process of proper rail loading techniques which are crucial to successful rail shipments," says Roberts.

About JTS (Johanson Transportation Service)

JTS is a third-party solutions provider helping companies manage their supply chain with Justified Timely Solutions(R) that meet their unique business challenges. With a network of truck, air, ocean and rail/intermodal transportation, JTS provides a full portfolio of domestic and international services, including logistics management, consultation and state-of-the-art technology systems with real-time online tools to facilitate seamless supply-chain communications for its customers. JTS is headquartered in Fresno, CA and has six regional offices in the United States.

About CSX Intermodal, Inc.

Founded in 1988, CSXI is a wholly owned subsidiary of CSX Corporation.
