**Brett Caeton Joins Management Team at JTS and Earns CTB Designation**

**Fresno, CA – October 4, 2022** — JTS (Johanson Transportation Service), a leading third-party logistics provider, announced that **Brett Caeton** has been hired as **Director of Risk Management**. His role will be reviewing insurance, contracts, and legal documents for the company, leveraging his 15 years of experience in the insurance industry. He holds a bachelor’s degree in Social Science from Cal Poly and was previously employed as a Risk Manager at California Risk Management Authority.

He recently earned his Certified Transportation Broker (CTB) designation from the TIA. The test scores competencies in brokerage, business, contracts, pricing, regulatory, and legal issues. It is a mark of industry proficiency and professional, ethical practices.

VP of Corporate Operations & Legal Affairs, Alicia Bly, says, *“We are extremely enthused about Brett joining our team. With his depth of experience and eagerness to learn the industry, we are sure he will be an incredible asset in his new position.”*

Brett will also represent JTS within the Transportation Intermediaries Association (TIA). He attended the *TIA Policy Forum* in Washington D.C. September 19-21 where he participated in meetings with members of Congress and their staff to support the 3PL industry, the Motor Carrier Safety Selection Standard, C-TPAT, PRO Act, and more.

**About JTS (Johanson Transportation Service)**

###

*JTS is a third-party solutions provider, licensed property broker, licensed ocean freight forwarder, and NVOCC. We help companies manage their supply chain with a network of truck, air, ocean, and rail intermodal transportation solutions.
