FOR IMMEDIATE RELEASE

JTS Donates Freight Costs for Medical Supplies Destined to Treat Ukrainian Refugees

Fresno, CA – March 25, 2022 — JTS (Johanson Transportation Service), a leading third-party logistics provider, announced that they donated freight costs to support a shipment of medical supplies headed to Poland where American doctors are assisting Ukrainian refugees with injuries.

Jeff Perry, Branch Manager of JTS' Intermodal Division in Rocklin, CA said, *"the request came from a long-time customer in the Central Valley, and we were thrilled to help in such a way that would directly benefit Ukrainian refugees."*

JTS coordinated the shipment of 16 pallets of medical supplies going to Tigard, OR and donated the sizable freight costs. From Tigard, the medical supplies were sent on to Poland where American doctors have been treating injured Ukrainian refugees devastated by the war.

"Our #JTSCares program proactively looks to help where it is needed most. We feel strongly that helping the victims of Ukraine, especially women and children fleeing and fighting for their lives, is a cause we absolutely stand behind. I am so proud and thankful that we were able to participate," said President/CEO Larry Johanson.

The project was coordinated by Dr. Linda Halderman, Providence Health System Medical Surplus Recovery Operations, and Medical Teams International.

About JTS (Johanson Transportation Service)

JTS is a third-party solutions provider, licensed property broker, licensed ocean freight forwarder, and NVOCC. We help companies manage their supply chain with Justified Timely Solutions® that meet their unique business challenges.
