**FOR IMMEDIATE RELEASE**

## **Larry Johanson Elected to California State University Fresno Board of Governors**

**Fresno, CA – September 12, 2017** -- JTS (Johanson Transportation Service), a leading third-party supply chain solutions provider, announces that President/CEO Larry Johanson has been elected to the board of governors of the California State University, Fresno Foundation along with four other community leaders.

A longtime supporter of the Craig School of Business at Fresno State, Johanson served as chair of the Business Associates board in 2008 and currently serves on the school's Business Advisory Council.

University President Joseph I. Castro, who announced the appointments to the board of the private, nonprofit public benefit corporation this summer, said *"We are delighted that these highly-respected business leaders are sharing their time, expertise and passion for Fresno State by joining our Foundation Board of Governor. The Foundation is instrumental in advancing our University towards its continual mission to boldly educate and empower students for success."*

The 33-member board includes a diverse group of prominent alumni and community leaders who share their expertise and industry experience, all to help advance Fresno State's mission and philanthropic support.

### **About California State University, Fresno Foundation**

Established in 1931, the Fresno State Foundation's mission is to advance the University's strategic objectives by encouraging philanthropy, inspiring leadership and promoting fiscal accountability. The foundation is responsible for management of financial activities relating to sponsored research grants and contracts, acceptance of gifts and donations and oversight of investments that include an endowment valued at more than \$145 million.

### **About JTS (Johanson Transportation Service)**

JTS is a third-party solutions provider, licensed property broker, licensed ocean freight forwarder, and NVOCC. We help companies manage their supply chain with Justified Timely Solutions® that meet their unique business challenges.
