FOR IMMEDIATE RELEASE

JTS Recognized as 2018 Top 100 3PL Provider by *Inbound Logistics*

Fresno, CA – July 31, 2018 – JTS (Johanson Transportation Service), a leading third-party supply chain solutions provider, announces they have been recognized by *Inbound Logistics Magazine* as a **2018 Top 100 3PL Provider**.

“JTS is honored to be counted among the others on this list as a freight transportation provider which excels at serving their customers with superior customer service. JTS offers additional value-added services such as business improvement ideas and access to technology to manage their daily freight activities. In addition to dry and perishable truckload and less-than-truckload service, we also offer options such as rail intermodal, ocean freight, air freight and international solutions to serve both the domestic and global supply chain,” says Larry Johanson, President/CEO. *“We pride ourselves on evolving with changing market needs and are flexible to offer our customers the capacity they need, when they need it most. Our commitment to service excellence is bar none in the industry.”*

Each year, *Inbound Logistics* editors select the best solutions providers from hundreds of applicants that, in the opinion of the publication’s editorial staff, offer the best combination of operational capabilities and experience to meet readers' supply chain and logistics needs.

The **2018 Top 100 3PL Providers** list will appear in the July 2018 issue of *Inbound Logistics*.

About Inbound Logistics

Inbound Logistics the leading trade magazine targeted toward business logistics and supply chain managers. The magazine's editorial mission is to help companies of all sizes better manage corporate resources by speeding and reducing inventory and supporting infrastructure and better matching demand signals to supply lines.
